An emergency ordinance may also be repealed by adoption of a repealing ordinance in the same manner specified in this section for adoption of emergency ordinances.

(b) Such meetings shall be open to the public to the extent required by law and notice to the public of emergency meetings shall be made as fully as is reasonably possible in accordance with Code section 50-14-1 of the O.C.G.A., or such other applicable laws as are or may hereafter be enacted.

The total appropriations from any fund shall not exceed the estimated fund balance, reserves, and revenues.

(b) The city council by ordinance shall adopt the final operating budget for the ensuing fiscal year not later than the 31st day of December of each year. If the city council fails to adopt the budget by said date, the amounts appropriated for operation for the then current fiscal year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis, with all items prorated accordingly, until such time as the city council adopts a budget for the ensuing fiscal year. Adoption of the budget shall take the form of an appropriations ordinance setting out the estimated revenues in detail by sources and making appropriations according to fund and by organizational unit, purpose, or activity as set out in the budget preparation ordinance adopted pursuant to Section 6.24 of this charter.

(c) The amount set out in the adopted operating budget for each organizational unit shall constitute the annual appropriation for such, and no expenditure shall be made or encumbrance created in excess of the otherwise unencumbered balance of the appropriations or allotment thereof to which it is chargeable.

SECTION 6.27.

Tax levies.

The city council shall levy by ordinance such taxes as are necessary. The taxes and tax rates set by such ordinance shall be such that reasonable estimates of revenues from such levy shall at least be sufficient, together with other anticipated revenues, fund balances, and applicable reserves, to equal the total amount appropriated for each of the several funds set forth in the annual operating budget for defraying the expenses of the general government of this city.

SECTION 6.28.

Changes in appropriations.

The city council by ordinance may make changes in the appropriations contained in the current operating budget, at any regular meeting, special, or emergency meeting called for such purpose, but any additional appropriations may be made only from an existing unexpended surplus.

SECTION 6.29.

Capital budget.

(a) On or before the date fixed by the city council but no later than 30 days prior to the beginning of each fiscal year, the city manager shall submit to the city council a proposed capital improvements plan with a recommended capital budget containing the means of financing the improvements proposed for the ensuing fiscal year. The city council shall have power to accept, with or without amendments, or reject the proposed plan and proposed budget. The city council shall not authorize an expenditure for the construction of any building, structure, work or improvement, unless the appropriations for such project are included in the capital budget, except to meet a public emergency as provided in Section 2.24 of this charter.

(b) The city council shall adopt by ordinance the final capital budget for the ensuing fiscal year not later than the 31st day of December of each year. No appropriation provided for in a prior capital budget shall lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned; provided, however, the city manager may submit amendments to the capital budget at any time during the fiscal year, accompanied by recommendations. Any such amendments to the capital budget shall become effective only upon adoption by ordinance.

SECTION 6.30.

Independent audit.

There shall be an annual independent audit of all city accounts, funds, and financial transactions by a certified public accountant selected by the city council. The audit shall be conducted according to generally accepted auditing principles. Any audit of any funds by the state or federal governments may be accepted as satisfying the requirements of this charter. Copies of annual audit reports shall be available at printing costs to the public.

SECTION 6.31.

Contracting procedures.

No contract with the city shall be binding on the city unless it is in writing and it is made or authorized by the city council and such approval is entered in the city council minute book pursuant to Section 2.21 of this charter.

SECTION 6.32.

Centralized purchasing.

The city council shall by ordinance prescribe procedures for a system of centralized purchasing for the city.

SECTION 6.33.

Sale and lease of city property.

- (a) The city council may sell and convey, or lease any real or personal property owned or held by the city for governmental or other purposes as now or hereafter provided by law.
- (b) The city council may quitclaim any rights it may have in property not needed for public purposes upon report by the city manager and adoption of a resolution, both finding that the property is not needed for public or other purposes and that the interest of the city has no readily ascertainable monetary value.
- (c) Whenever in opening, extending, or widening any street, avenue, alley, or public place of the city, a small parcel or tract of land is cut-off or separated by such work from a larger tract or boundary of land owned by the city, the city council may authorize the city manager to sell and convey said cut-off or separated parcel or tract of land to an abutting or adjoining property owner or owners where such sale and conveyance facilitates the enjoyment of the highest and best use of the abutting owner's property. Included in the sales contract shall be a provision for the rights-of-way of said street, avenue, alley, or public place. Each abutting property owner shall be notified of the availability of the property and given the opportunity to purchase said property under such terms and conditions as provided by the city council. All deeds and conveyances heretofore and hereafter so executed and delivered shall convey all title and interest the city has in such property, notwithstanding the fact that no public sale after advertisement was or is hereafter made.
